### **U.K. police still determining cause of death of man in London mosque attack**

Detectives in London still are trying to determine the cause of the death for a Muslim man who died during the van attack near Finsbury Park Mosque, the city's police chief said Wednesday. Metropolitan Police Commissioner Cressida Dick said a special post-mortem examination has been carried out on the victim, 51-year-old Makram Ali.

## **How to report extremist online posts that promote or glorify terror attacks**

A woman holds a placard as they take part in a vigil for the victims of an attack on concert goers at Manchester Arena (Picture: Reuters) Sadly, the UK has seen four terror attacks in as many months. In the aftermath of the Finsbury Park attack on innocent worshippers in London, some gross comments....
