Explosion in Ethiopia's capital injures one man

An explosion under a bridge in Ethiopia's capital Addis Ababa injured one man on Wednesday, a federal police spokesman said. There was no indication the blast was related to the conflict in the northern Tigray region where federal troops are fighting forces loyal to local leaders. The man lost a leg, the spokesman told Reuters.

Les terroristes et leurs nouvelles stratégies !

A quand la fin des massacres dans les régions du centre ? C'est la triste question que l'on ne cesse de se poser. Parti de la région de Mopti, près de la frontière avec le Burkina Faso vers 2015, le violent conflit qui s'est installé dans cette région il y a cinq ans, s'est propagé peu à peu vers les autres zones du centre du pays.
