Mali

EU forces train Malian soldiers to strike jihadists from...

The long barrel of a howitzer cannon aims into scrubland around a military base in conflict-hit central Mali. After a countdown, a soldier pulls the firing lanyard, but no round shoots to the horizon. Instead an officer shouts: "BOOM!" From the shade of a nearby tree, four European....

Sahel

Quand braconnage et terrorisme font bon ménage

La perméabilité des frontières de la région de l'Est avec les pays voisins en a fait, historiquement, une zone de contrebande où les échanges informels jouent un rôle crucial dans l'économie locale et font vivre nombre d'habitants.
